FIG. 15

FIG. 15 is a cross-sectional view of a mechanical assembly. A central vertical shaft passes through a housing. On the left, a component 53 is connected to a block 54, which is mounted on a shaft 16. A spring 51 is positioned between block 54 and a housing part 50. On the right, another component 53 is connected to a block 54, which is also mounted on a shaft 16. A spring 52 is positioned between block 54 and a housing part 50. A dashed line indicates a connection between the two blocks 54. The housing is labeled 18.
